INJECT PERSONALITY INTO THE WORKPLACE

The versatile Personality range supports the different ways people sit and work during the day. Available with mesh or upholstered back, in task and high stool versions, Personality provides flexible and very individual seating solutions throughout the workplace. Comfortable and versatile, you can customize it to suit your posture, the task at hand, and the way you like to work.

SMART OPTIONS PERSONALIZE STORAGE

Stylish Personality integrates smart storage options that make excellent use of space. The back belt, hook and jacket hanger allow users to customize the chair to suit their personality and the way they sit and work. Keeping tools and personal items close at hand and in easy reach, while minimizing the use of space.

PERSONALIZED ERGONOMIC SUPPORT

Personality combines outstanding ergonomic support with intuitive adjustability to enable each user to adjust the position of comfort to suit their physique and the task in hand. The mesh backrest distributes weight to minimize pressure on the spine while reclining, as well as providing excellent air circulation for thermal comfort.

1 Cool soft mesh
Airy and light, the mesh is soft to the touch and automatically adjusts to support each users' spinal print

4 Adjustable seat depth
Seat depth adjusts to accommodate different leg lengths, providing individual users with comfortable ergonomic support.

7 Jacket hanger
Optional jacket hanger allows users to keep jackets handy and wrinky free, all while saving closet space.

2 Lumbar support
Optional in Mesh versions, grab the handle and slide the height adjustable lumbar support to customize the added lower back support.

5 Seat Comfort
The seat is amazingly comfortable thanks to advanced adaptive bolstering techniques with the foam.

Back belt
The Upholstered version has a storage belt, allowing for quick access to tools and personal items.

3 Armrest
The height, pivot and depth adjustable arms enables individual users to tailor comfortable support for different tasks.

6 Hook
A convenient hook for hanging and keeping close small personal items is default on all versions.

Headrest
Optional headrest helps to keep the head and neck supported in both upright or reclined positions.
