Care and Cleaning Guides

Dolce and Whisper:

Step 1: For light soiling, a solution of 10% household liquid dishsoap in warm water, applied with a soft damp cloth. Rinse with clean water and dry.

Step 2: For heavy soiling, dampen a soft white cloth with a one to one (1:1) solution of Fantastik® and water or Formula 409® and water. Rub gently and rinse with a water dampened cloth.

Step 3: For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently and rinse with a water dampened cloth to remove bleach concentration.

Do not use with alcohol-based cleaning agents!

Hitch and Silvertex:

Step 1 (eye shadow, mascara, grease, black felt tip pen, crayon, chocolate, suntan lotion, hair and body oils*):

Remove excess spill with a damp cloth. Clean with a 1:1 mix of Ivory® liquid soap and water. Next, rinse with clean water and dry.

Step 2 (red lipstick):

Use a straight application of concentrated cleaners such as Formula 409® or Fantastik® spray cleaner. Wipe with a clean cloth, rinse with water, and dry.

Step 3 (blood, urine, feces, oil base paint, tar, and asphalt):

Use a 1:1 mix of ammonia and water, or a 1:4 mix of bleach and water. Rinse with clean water and dry.

Steps 4 (all other tough stains):

Use a 1:1 mix of isopropyl alcohol and water. If the stain persists, use straight alcohol. Rinse thoroughly with clean water and pat dry.

Note: For cleaning that requires step 4, use a soft cotton cloth saturated with the cleaning material and rub the stain in circles 10 times. Pat dry with another soft cotton cloth and check the results.
