## **B-FREE**

B-Free is a range of modular furniture aimed to design multiple and easily reconfigurable settings. B-Free creates focal points where people can connect with colleagues and concentrate individually.

The most highly engaged workers have choice and control on where to work in the office based on the task they do.

## WHAT YOU NEED

Users are now able to work or relax in informal spaces with various work amenities that a traditional workstation can offer.

### ACCESS TO POWER

Convenient access to power enables users to recharge their mobile devices.

### PERSONAL STORAGE

Designed to accommodate temporary storage for mobile workers.

### PRIVACY

Stay connected to the team while enjoying privacy with semi-transparent screens.

### ERGONOMICS

B-Free lounges are designed ergonomically to support longer durations of sit.

### SURFACE MATERIALS

Surface materials shown in brochure:

- |                                   |                     |
|-----------------------------------|---------------------|
| TR07 Steelcut Trio Mustard Yellow | AT Acacia           |
| TR06 Steelcut Trio Licorice Black | MG Merle            |
| RE03 Remix Pebble                 | WM Arctic White Mat |

Colours are representative and may vary slightly from actual material.

### SUSTAINABILITY

Designed by Steelcase, B-Free is manufactured in Europe for the EMEA (Europe, Middle East and Africa) market.

Sustainability actions and results are annually communicated in the annual Steelcase Corporate Responsibility report.
