

F5 SYSTEM

DIVERSITY.
COLOUR.
INSPIRATION.

F5 SYSTEM

ABOUT

The F5 system is the solution for the offices seeking greater diversity, colour and inspiration. The desk mounted system embodies a timeless design and provides multiple options to the workplace as they are easily reconfigured and are a great cost effective option for any context.

Recyclable and re-usable properties ensures the F5 is environmentally friendly, while also delivery core elements of strength and stability.
