

F2 SCREEN SYSTEM

F2 SCREEN SYSTEM

AWM
commercial furniture
& joinery

WORKSTATIONS | DESKING | STORAGE | SEATING | JOINERY | RECEPTIONS

The F2 systems main components are recyclable and re-usable with foam backed fabric for improved acoustics. Including leg styles to suit your environment and budget. It's a truly versatile design, GECA and AFRDI approved. It's modular tile-based system which allows for mix and match designs. It includes stackable moveable tiles, plus a frame that supports inbuilt cable management and accessory support.
