Stella

Stella is spacious and comfortable lounge chair – ideal for both informal meetings and relaxation. The expression is tight and light without compromising the degree of comfort. The wide back is attached to the seat only at a single point, which gives an impression of an almost floating back. Also available with swivel base.

Designed by busk+hertzog

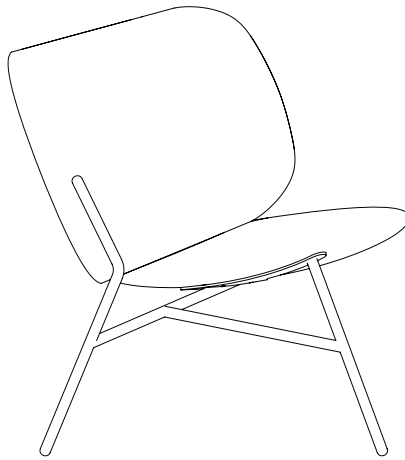

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy. The duo is located in Lisbon.
