

MURANO
Easy Chair
By Luca Nichetto

OFFECCT

PRODUCT INFORMATION

Murano is an equally pretty easy chair which hugs your body with a surprisingly high comfort. The backrest and seat are designed so that you can vary the seat position from active to more relax. In the relaxed situation, you also get more contact with the armrests.

Except of the incredibly high level of comfort, Murano also offers the possibility of hanging a jacket or a computer bag on the backrest.

Murano is upholstered with lacquered frame.

Benefits & functions

- Can be upholstered in fabric or leather.
- Is highly comfortable.
- Offers the possibility of hanging a jacket or a bag on the backrest.
- Reflects today's needs of "work and relax where you sit".

The frame is available in black, silver or white lacquer alternative in Offecct Flexicolor.
