

ON POINT HIGH
Table
By Mattias Stenberg

OFFECCT

PRODUCT INFORMATION

"On Point is designed to allow full contact between up to eight people around it, while it's also perfect for more private and intimate gatherings among a few individuals. It's also a way of creating a micro architecture in the room, with the tree's natural ceiling that makes us feel pleasantly enwrapped and comforted", says Mattias Stenberg.

On Point High, has an upholstered frame with a table top in white-pigmented oak. The center module in the middle of the table top is in lacquered MDF. It is available in different dimensions and makes it possible to fit different sizes of plants into the table. The tables heights make it possible to choose between standing or sitting on a bar stool.

Benefits & functions

- Can be upholstered in fabric or leather.
- Can be equipped with a powerbox.
- It fits up to eight people.
- The center module is available in three different spaces, see images below.
