Framery One / Functionalities

FRAMERY CONNECT is a revolutionary digital service that brings more functionality to Framery One pods. Framery Connect activates your Framery One, enables calendar connectivity, and gives you valuable insights into how your office works. With Framery Connect, your Framery One can be easily reserved through Google and Microsoft calendars. Framery One automatically creates a calendar reservation upon entry, which can be extended through the pod's UI Panel. And analytics data helps you see how and when your Framery One pods are used, and where they should be placed to optimize your office.

UI PANEL allows you to adjust the pod's lighting and ventilation according to your personal preferences. Choose from Work Mode or Video Mode lighting presets, or control the brightness of both lights individually. The integrated 4G module enables to see the pod's availability, and make reservations directly with the Bookable Pods functionality on the touch-screen. Charge your devices via power outlets (1 power socket, USB C socket, optional LAN) located on the UI Panel.

VIDEO CONFERENCE LIGHT is a dimmable LED panel embedded into the tech wall of Framery One improves the experience of video calls. Warm light is cast on the user's face in a wide spread with excellent color rendering capacity (90CRI), providing excellent illumination without bothering the user. The 4000K color temperature guarantees a natural look and feel with optimal user comfort. Adjustments to both the video conference light and the ceiling light can be made easily via the UI Panel.

OCCUPANCY LIGHT displays a red light with 360° visibility when stepping into your Framery One, to let the office know the pod is in use.

ACTIVATED CARBON FILTER keeps the air inside Framery One extra fresh and clean and free of odors with an activated carbon filter. The filter removes pollutants from the air with an adsorption process.

WIRELESS CHARGER allows you to charge your phone fast and wire-free inside our pods. The charger itself is located underneath the table, with a sticker on top of the table indicating where to place your phone to get it charged.

LAN PORT is possible to add to the UI Panel. This option includes a LAN cable.

MOVABILITY KIT allows you to easily relocate your Framery One without disassembly by lifting the levelling feet up and thus lowering the pod onto its wheels. The high load capacity polyurethane castor wheels are both durable and pliable. Number of wheels: 4.

Framery One

TECHNICAL SPECIFICATIONS

Size	EXTERIOR 225.5 × 122 × 100 cm / 88.8 × 48 × 39.4 in (h, w, d). With castors (comes with movability kit): extra 3 cm / 1.18 in in height. With activated carbon filter: extra 6.5 cm / 2.56 in in height. INTERIOR 204 × 102 × 93 cm / 80.3 × 40.15 × 36.6 in (h, w, d). DOORWAY 204 × 101.5 cm / 80.3 × 40 in (h, w).
Weight	357 kg / 787 lb.
Ventilation Space	Minimum recommended space for air to circulate. Above: 15 cm / 5.9 in. (No extra space needed on top of the filter housing.)
Acoustics	> 30 dB (Speech level reduction according to ISO 23351-1 testing method).
