

AQUILA

AQUILA

AQUILA is a family of lounge and armchairs, elegantly designed to create and fill your beautiful space. Ideal for both informal and formal reception, visitor, waiting and breakout areas, the Aquila brings a warm and welcoming atmosphere, and crafted to bring you all around comfort. With multiple options available, ranging from one to two seaters, two back heights and several base types, Aquila can be customised to suit almost any application of your choice.

AQUILA is available in upholstery to selection.
