POTRERO415 TABLES
Coalesse Design Group

coalesse®

A better way to work together.

Meetings have been waiting for this.
A refreshing antidote to the conventional
conference-room table. Inviting and
familiar, Potrero415 supports all the
ways you work: inside or outside a
meeting room, for long sessions or short
bursts of creative energy. Designed for
creative collaborators, Potrero415 is an
accessible gathering point, a centerpiece
at the vanguard of a new standard of
craft in today's office.

Product Features

————

A. Adjustable glides. Height-adjustment leg rings turn a commonly hidden adjustable glide into a celebrated detail that expresses modern craft.

B. Bottom Tray. Conceals cords and cables to create a clean aesthetic on the underside of the table.

C. Adaptive power. Optional modules support connectivity anywhere along the tabletop into an under-table central trough and cables disappear through hollow legs.

D. Wire management. Cables and infeed are seamlessly managed through the leg.

Details
