

Product tear sheet

PATU workstation services access top cut out cover and spine screen stand

MTO only

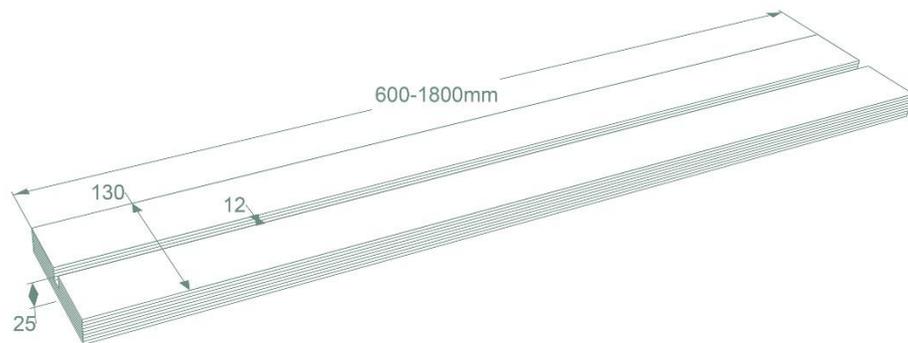

Lead time: 3-5 weeks

Origin: NSW

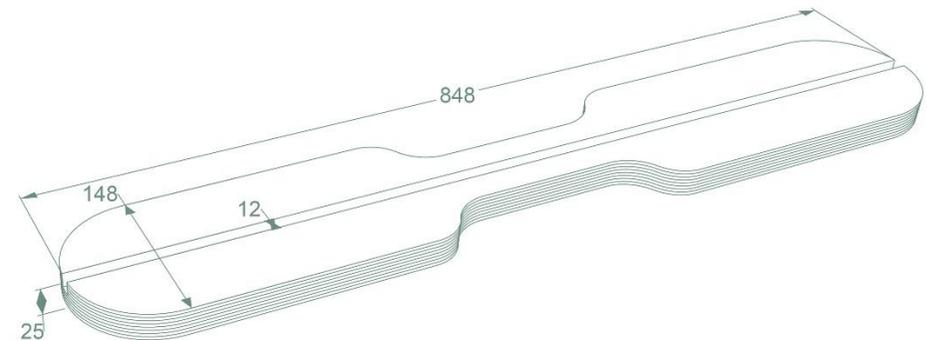

25mm birch plywood, matt polyurethane clear finish

Optional Forbo Furniture Linoleum top surface over lay is also available with minimum order quantities applicable

Rectangular PATU will work best with scalloped tops with 132mm clearance

Rounded PATU will work best with oblong top cut outs at 850mm x 150mm

PATU allows for flexible use of workstation working surface, where it can be easily transformed into a collaboration or meeting table by removing desk top screens

Why drill if you do not have to?
