

STEELCASE LIMITED WARRANTY

for Asia Pacific

YOU CAN DEPEND ON US. OUR PRODUCTS. OUR SERVICES. OUR PEOPLE.

Global Products are warranted in accordance with the Steelcase® Global Products Warranty. The list of Global Products can be found in the Global Products Warranty. This Regional Warranty applies exclusively to products that are not Global Products. This warranty applies only to products delivered in Asia Pacific. Without prejudice to the legal warranties provided under national law, Steelcase Inc. ("Steelcase") Steelcase®, Coalesse® and Turnstone® brand products are free from defects in materials or workmanship for a period of eight (8) years, except as set forth below. The warranty is valid from the date of delivery, regardless of shift usage, to the original End User and is non-transferable. Steelcase will repair or replace with comparable product, at its option and free of charge (for materials and components) any product, part or component which fails under normal use. If repair or replacement is not commercially practicable, Steelcase will provide a refund or credit for the affected product. End User means the final purchaser acquiring a product from Steelcase or a Steelcase Authorized Reseller for the purchaser's own use and not for resale, remarketing or distribution.

 - A product "defect" means an inadequacy in the materials or workmanship of the product that (i) existed at the time when you received the product from Steelcase or a Steelcase Authorized Reseller and (ii) causes a failure of the product to perform under ordinary use in accordance with the materials and documentation accompanying the product.
