Platform Shelving System

Technical Specifications

Design by kin design

Platform shelving is a modular and minimalist system which is both functional and beautiful.

Whether as a small individual module, a room divider or a large storage unit, Platform perfectly adapts to the task.

Carefully and expertly crafted from solid oak and available in kin's standard finishes.

Available in standard configurations or customised to suit individual situations.

Additional shelves and dowel uprights can be purchased to allow the system to grow with your needs.

Materials

Solid Oak

Dimensions (mm)

See details.

Finishes

Standard kin wood finishes*
or custom on request
